

Give yourself, your family and your community a very special and green gift after Christmas! How? Recycle your Christmas tree. Bring your Christmas tree to

THE GREAT CHRISTMAS TREE ROUND-UP

on

Saturday, January 7, 2012

8:00 a.m. - 1:00 p.m.

Maple Street, Warner Robins (Under the Water Tower)

As a special bonus, you will receive a *free* tree seedling for each tree you bring.

How do We Recycle Christmas Trees?

Most trees will be chipped into mulch and used to keep city parks green and beautiful. Others will be deposited in area lakes and streams to improve the habitat of fish.

January 8th is the *only* day free tree seedlings will be available in exchange for Christmas trees; however, Christmas trees may be dropped near the water tower on Maple Street any time after Christmas.

Help this recycling effort by joining in
THE GREAT CHRISTMAS TREE ROUND-UP.
